

Quit Job to Write

COPY CRITIQUE

Let's take a minute and say this...

You're awesome!

You're taking giant leaps of faith to become the "best" out there. And you're doing all the right things.

Getting 1-on-1 help from me personally allows you to get answers to questions specifically related to you. Personalized help.

Since I only offered this to 7 people (as that's all my schedule allows with my own copy business), you have a unique opportunity to fast track your way to quitting your job.

Normally, I'd charge over \$3,000 for these calls. But, since you've already invested with me, it only is fair to lower the price for you...way down!

THAT'S WHY YOU GOT A STEAL FOR THESE 8 CALLS FOR \$997

You're one of the lucky few who jumped on this opportunity before it was gone.

So, let's cut the chat:

HOW TO SCHEDULE YOUR FIRST CALL

1. Send me a personal email at joe@jccopy.com with the SUBJECT LINE: *Ready to consult*.
2. We will discuss times to get on a call and go from there.
3. Use them wisely...

Keep writing...
